Ottumwa Regional Health Center's mission is simple: Making Communities Healthier®. By creating places where people choose to come for healthcare, physicians want to practice and employees want to work, we are providing quality care close to home and investing in our region's overall well-being. Your support allows us to continue to enhance the many ways we serve and care for Ottumwa and the Southeast Iowa region today and for generations to come. Thank you.

— Phil Noel, *CEO*
